NEW MANUFACTURERS' TAXES NOW IN EFFECT Collected From Purchaser

Under Certain Conditions.

Frank K. Bowers, collector of Inernal Revenue for the Second District of New York, issued a statement yesterday calling attention to the providon of the new tax law, effective January 1, which provides for the payment of taxes on certain articles by the manufacturer, producer or importer, amounting to 5 per cent. This tax, he pointed out, is imposed on carpets, in excess of \$4.50 a square yard; ruge, in excess of \$6 a square yard; trunks,

in excess of \$6 a square yard; trunks, in excess of \$35 each; vallees, traveling bags, suit cases, hat boxes and fitted tollet cases, in excess of \$25 each; purses, pocketbooks, shopping and handbags, in excess of \$1 each.

These taxes are included in the manufacturers' exclse taxes and are not payable by the purchasers as under the 1918 tax law. However, it is provided that the manufacturer may collect the tax from the purchaser by stating the that the manufacturer may collect the tax from the purchaser by stating the selling price and the tax in separate, exact amounts, or by telling the purchaser what portion of the price represents taxes.

Effective last Sunday, the tax on soda water, ice cream, &c., is eliminated, as is the transportation tax on freight and passengers, the tax on sourcing

and passengers, the tax on sporting goods, as well as that on electric fans, thermostatic containers, fur articles, tollet articles and musical instruments. The tax on sales of jewelry is fixed at a part of the sales of the sa 5 per cent., and on works of art is reduced from 10 to 5 per cent.

\$23,303,757 during the previous year.

The decrease shown is accounted for by a loss of about \$6,000,000 in the value of copper mined, \$573,000 loss in silver, \$100,000 in lead, \$155,000 in platform and \$120,000 in petroleum, An increase of about \$135,000 was shown in the production of coal.

The practical completion of the Alaska railroad, the report said, was the most important event of the year to the territory mining industry. The decrease in both copper production and development was ascribed to the low price of the most.
